1 MR. BLECHMAN: And we will make every effort to make
2 that work. Let me just talk to everyone else.

3 THE COURT: That will be a final pretrial
4 conference.

5 MR. BLECHMAN: Thank you.

6 MR. LEVINE: The final matter, because there's been
7 a lot of talk about sort of what the conspiracy -- the
8 conspiracy is who, what, where and when. I think we now
9 understand the what, the where, and the when. Pursuant to our
10 motion, we still don't understand the who and who's
11 included --

12 THE COURT: You're included.

13 MR. LEVINE: Pardon, we are included. We are
14 included, but who else is included? And that does matter
15 greatly for trial preparations. I understand counsel may be
16 reluctant to answer that now or -- but that is still an open
17 issue and I just didn't want that to be sort of overlooked.

18 THE COURT: Well, maybe you can confer with each
19 other --

20 MR. LEVINE: Yes.

21 THE COURT: -- on that.

22 MR. LEVINE: Will do.

23 THE COURT: Because certainly well in advance of the
24 final pretrial conference, I would expect everybody, including
25 the Court, to have that information.

1 MR. LEVINE: Thank you, Your Honor.

2 THE COURT: Yes. Anything else?

3 MR. BLECHMAN: Your Honor, just a few housekeeping
4 matters on the Plaintiffs' side.

5 First, with regard to the issue about the dollar
6 amount of settlement agreements, I'd like to confer with
7 people, but ask for the Court's indulgence to give us, say,
8 four business days if we want to file something supplemental
9 to what's been put on the record.

10 THE COURT: That's fine on any of these.

11 MR. BLECHMAN: Okay.

12 THE COURT: On any of the motions.

13 MR. BLECHMAN: I'm not looking to open this up to
14 provide -- to have the Court then be invited to have other
15 people file even more papers so --

16 THE COURT: If I understand, you want the right to
17 file more, but nobody else?

18 MR. BLECHMAN: No. No. No. I'd like to be clear
19 on this.

20 THE COURT: No, I know. I know.

21 MR. BLECHMAN: The Court has been very patient for
22 many years in accepting lots of supplemental papers and if
23 somebody needs to supplement, and subject to the Court's
24 approval, they'll do so, and I don't mean to preclude anybody
25 from doing it, but I only mean to request a supplementation
